

The Best AP Automation Solution for

Acumatica

The Cloud ERP

Acumatica - Yooz:

A One-of-a-Kind Connection

Yooz and Acumatica have a native integration that provides a seamless, streamlined, and personalised user experience.

Intelligent Workflows

Customised, dynamic workflows that automate invoice approvals and payments.

Real-Time Data

Data is automatically updated in real-time.

Direct Image Access

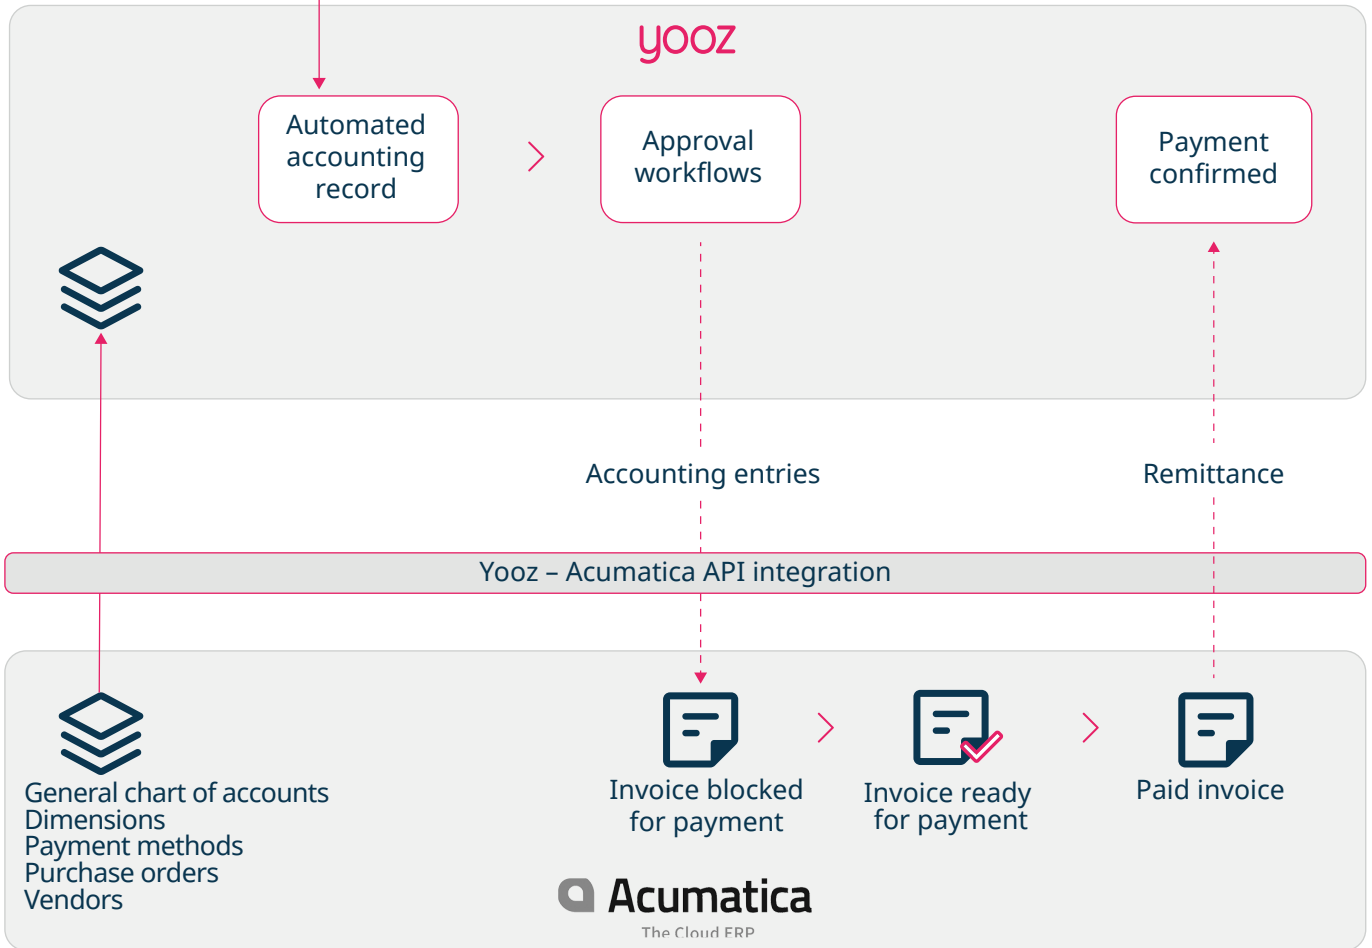

The invoice image is included with data transfers to **Acumatica**.

Together Yooz and Acumatica go above and beyond to understand your current process and requirements, developing a customised and automated workflow in the most user-friendly, intuitive interface that addresses your specific invoice and payment approval requirements.

Our leading cloud AP automation solution eliminates routine manual tasks and instead enables you and your team to focus on value-added, strategic opportunities.

The Acumatica AP automation integration process

Yooz provides the smartest, most powerful and easiest-to-use cloud- based E-invoicing and Purchase-to-Pay (P2P) automation solution. It delivers unmatched savings, speed and security with affordable zero-risk subscriptions to more than 7,000 customers and 600,000 users worldwide.

Yooz's unique solution leverages Artificial Intelligence and RPA technologies to deliver an amazing level of automation with extreme simplicity, traceability and end-to-end customisable features. It simply integrates E-invoicing and AP Automation into information systems or ERPs with more than 250 native connectors, exceeding any other solution on the market.

Yooz is based in the US and Europe, with the UK Office located in London.
