

The Best AP Automation Solution for Xero

A One-of-Kind Connection.

Yooz seamlessly integrates with Xero, giving you end-to-end visibility over your entire Accounts Payable Process.

Line-level details & spend control

Yooz exports invoice line-level details to the ERP to enable in-depth analysis and precise spend control, beyond simple accounting totals.

Intelligent and Automated workflows

Dynamic workflows that automate invoice approvals.

Direct Image Access

Yooz embeds the invoice image directly into Xero, providing immediate access to the source document for greater transparency and control.

Recommended and used by
thousands of Xero users!

Jaded London

The Xero AP Automation Integration Process

Yooz provides the smartest, most powerful and easiest-to-use cloud-based E-invoicing and Purchase-to-Pay (P2P) automation solution. It delivers unmatched savings, speed and security with affordable zero-risk subscriptions to more than 7,000 customers and 600,000 users worldwide.

Yooz's unique solution leverages Artificial Intelligence and RPA technologies to deliver an amazing level of automation with extreme simplicity, traceability and end-to-end customisable features. It simply integrates E-invoicing and AP Automation into information systems or ERPs with more than 250 native connectors, exceeding any other solution on the market.

Yooz is based in the US and Europe, with the UK Office located in London.
