The CDK Global - Yooz Connection

Seamlessly integrated automation for a streamlined, real-time invoice and payment process.

Real-Time Data Automated, bidirectional real-time data flow.	Direct Image Access Yooz is the only solution that pushes the invoice image to CDK Global .	PO Integration Yooz connects with the purchasing module to pull any purchase transaction.
--	--	---

Yooz can also push other document types, closes a PO directly in **CDK Global**, updates the invoice status to "paid", and supports customized dimensions and fields.

The AP Automation Workflow

Don't take our word for it!

Our clients are the heroes of our story.

"Closing the month used to take five days, and in a business like ours that relies on immediate information, it was five days too long. Now our month-end takes a half day, we're meeting our targets, the information is correct, and we can move right into the accruals stage."

Shelley Duggins
Accounts Payable Manager

"We've saved nearly \$35,000 a year with the Yooz paperless workflow, and our Goms can approve payments on-the-go."

Patsy Price
Director of Operations
