

# The Ultimate AP Automation Solution for Tekion

## The Solution: Accelerating AP with Yooz Automation

Seeking a faster, smarter, and more automated solution, Walser chose Yooz. *"Yooz stood out because it was intuitive and adaptable,"* Kevin said. *"We needed something that our teams could use right away, without a steep learning curve."* Yooz's advanced automation—especially its Smart Data Extraction technology—was key, saving the AP team major time on data entry. Its strong reporting features improved visibility and control, while Yooz's ongoing innovation ensured the AP process would keep evolving over time.

## Seamless Integration Between Yooz and Tekion

### Intelligent Workflows

Customized, dynamic workflows that automate invoice approvals and payments.

### E-Payments

Cash-back option with automated digital payments.

### Smart Data Extraction

Real-time field recognition, GL coding and PO matching.

## The Impact: Speed, Clarity, and Strategic Control

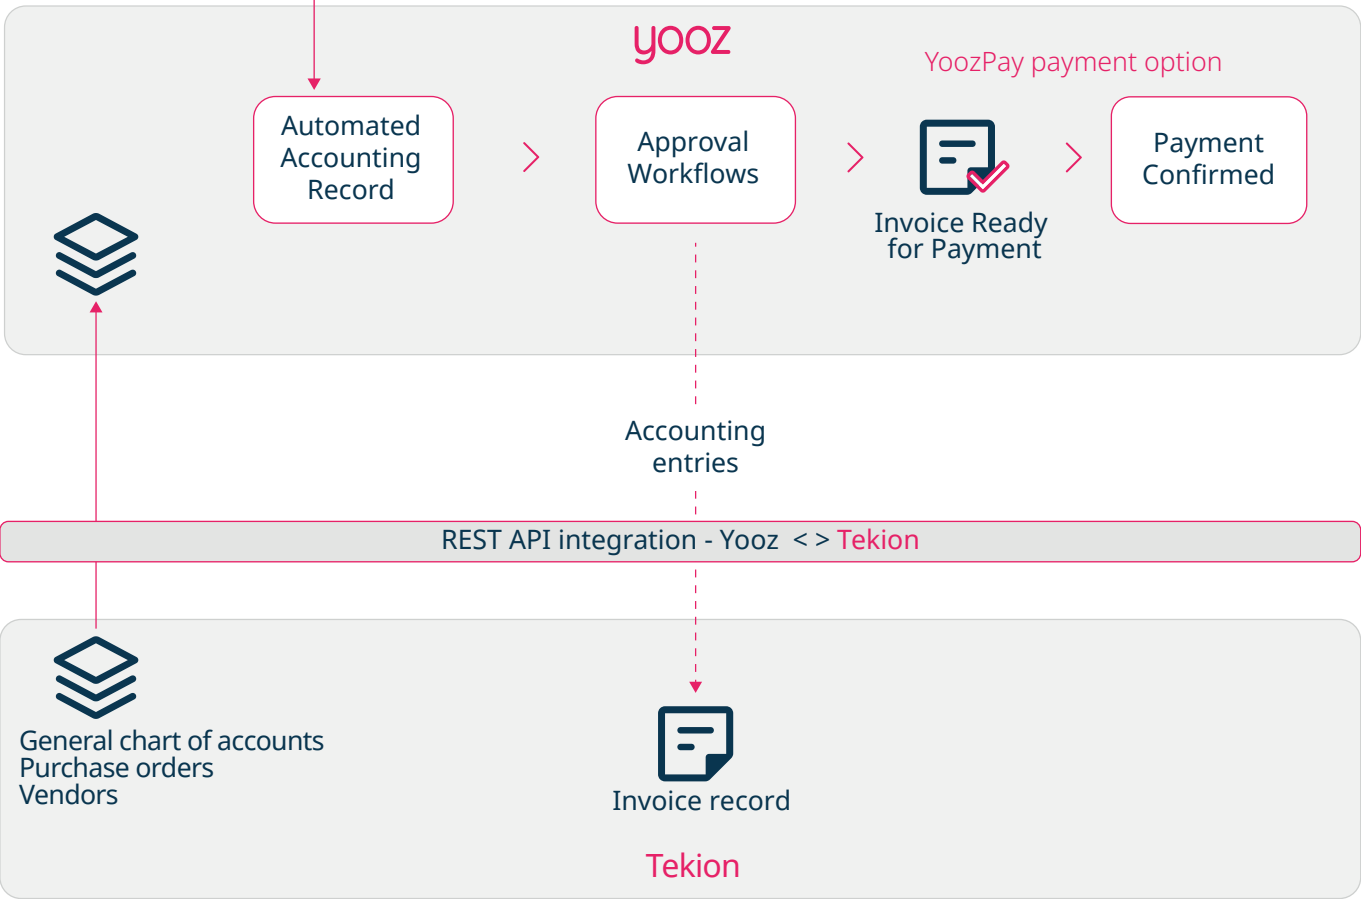

Since adopting Yooz, Walser's AP operations have transformed. Manual work is down, approvals are faster, and the finance team now has full real-time visibility. *"Yooz has given us real-time insights into our AP workflow, something we didn't have before,"* Kevin noted. This transparency boosts control, improves reporting accuracy, and strengthens vendor communication—turning a former paper-heavy bottleneck into a strategic advantage.

### WALSER

*"The platform is incredibly intuitive. From day one, our staff found it easy to use, which meant we could hit the ground running. The ease of use and immediate impact of Yooz really exceeded our expectations."*

Kevin Barden, Accounts Payable Manager

# The Tekion AP Automation Integration Process
