

The Ultimate AP Automation Solution for CDK Users

The CDK - Yooz Connection

Seamless, integrated automation with tailored workflows streamlines invoice to payment while improving efficiency and control.

Real-Time Data

Automated, bidirectional real-time data flow.

Direct Image Access

Yooz is the only solution that pushes the invoice image to CDK.

PO Integration

Direct connection for purchase-transaction retrieval.

Yooz enables teams to push key documents into CDK, close POs in-system, update invoice statuses to Paid, and customize dimensions and fields.

Don't take our word for it!
Our clients are the heroes of our story.

"Closing the month used to take five days, and in a business like ours that relies on immediate information, it was five days too long. Now our month-end takes a half day, we're meeting our targets, the information is correct, and we can move right into the accruals stage."

Shelley Duggins
Accounts Payable Manager

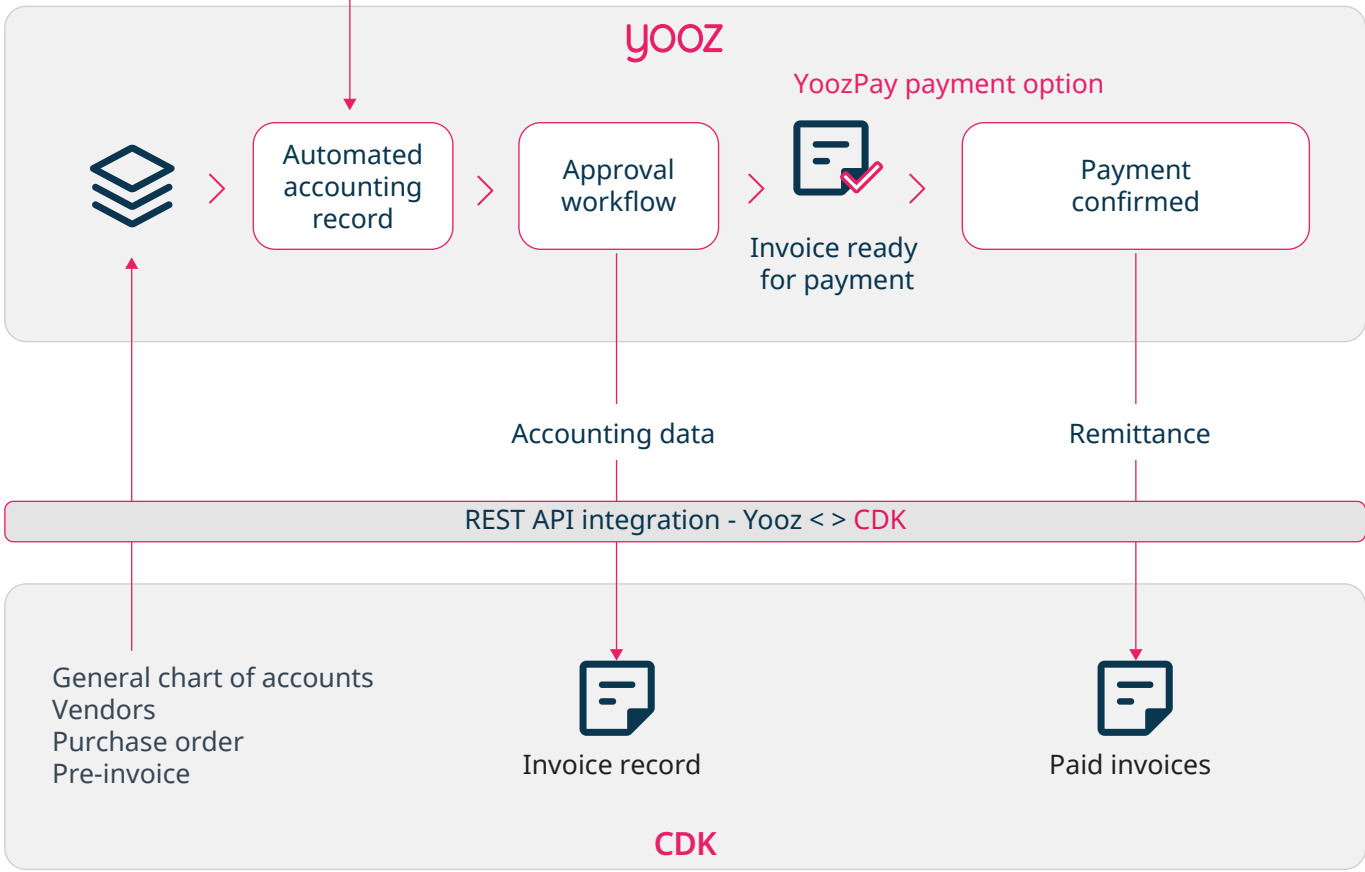

"We've saved nearly \$35,000 a year with the Yooz paperless workflow, and our GMs can approve payments on-the-go."

Patsy Price
Director of Operations
