CSM COMPANIES

"The document search is fabulous! There are loads of filter options so you can easily narrow your search, but you can also use a keyword, phrase or number that might be found anywhere on an invoice not just the invoice property fields."

Julie Williams, Accounts Payable Specialist

TRUCKZONE
Keeping you on the road

"I would rather [the AP Specialist's] focus not be so much on the processing aspect, but to be able to respond to vendor questions and inquiries more of the relationship between our vendors and Truck Zone rather than just being bogged down in paperwork."

Christina Chomyk, Director of Finance & Business Systems
