

The Best AP Automation Solution for Microsoft Dynamics 365 Business Central

A One-of-Kind Connection.

Yooz seamlessly integrates with Microsoft Dynamics 365 Business Central, giving you end-to-end visibility over your entire Accounts Payable Process.

PO integration

Direct connection for purchase-transaction retrieval.

Direct Image Access

Yooz embeds the invoice image directly into MS Dynamics 365 BC, providing immediate access to the source document for greater transparency and control.

E-Payments

Cash-back option with automated digital payments.

Don't take our word for it!

Our clients are the heroes of our story.

Qwikkit

Adam Franklin
Director of Accounting and Finance

"We were spending too much time just trying to figure out where an invoice was in the process." Adam said, "We chose Yooz because it connected seamlessly with Business Central and didn't require us to change our accounting process."

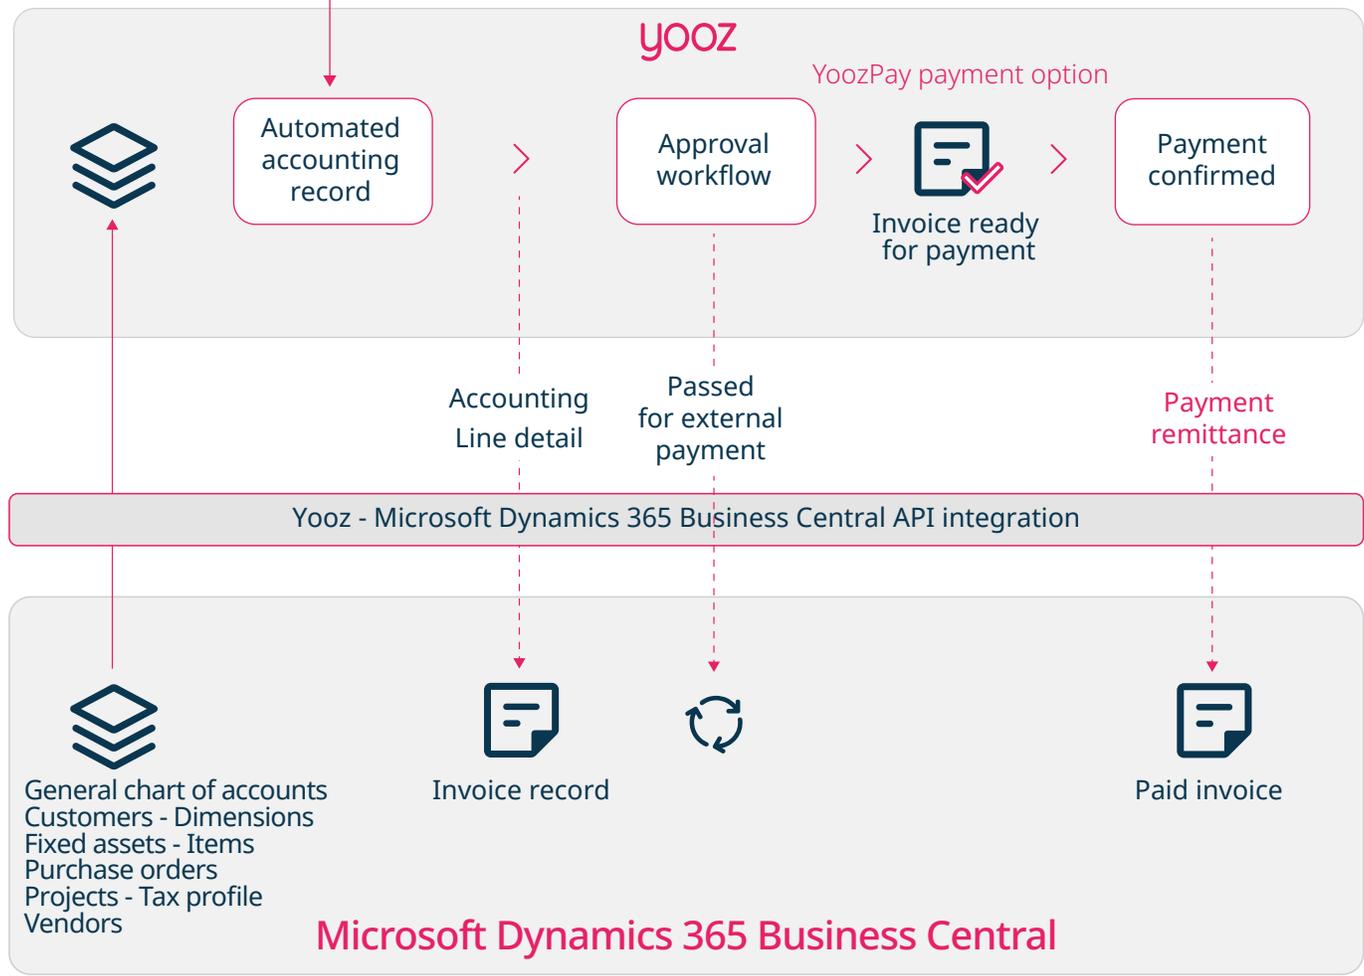

Reflecting on Qwikkit's experience, Adam offered advice for other companies considering automation: *"Don't wait to automate. Once you see how much time and stress it saves your team, you'll wish you had done it sooner. Yooz makes it simple and the results speak for themselves."*
