## How Does Yooz Work?

### No Touch

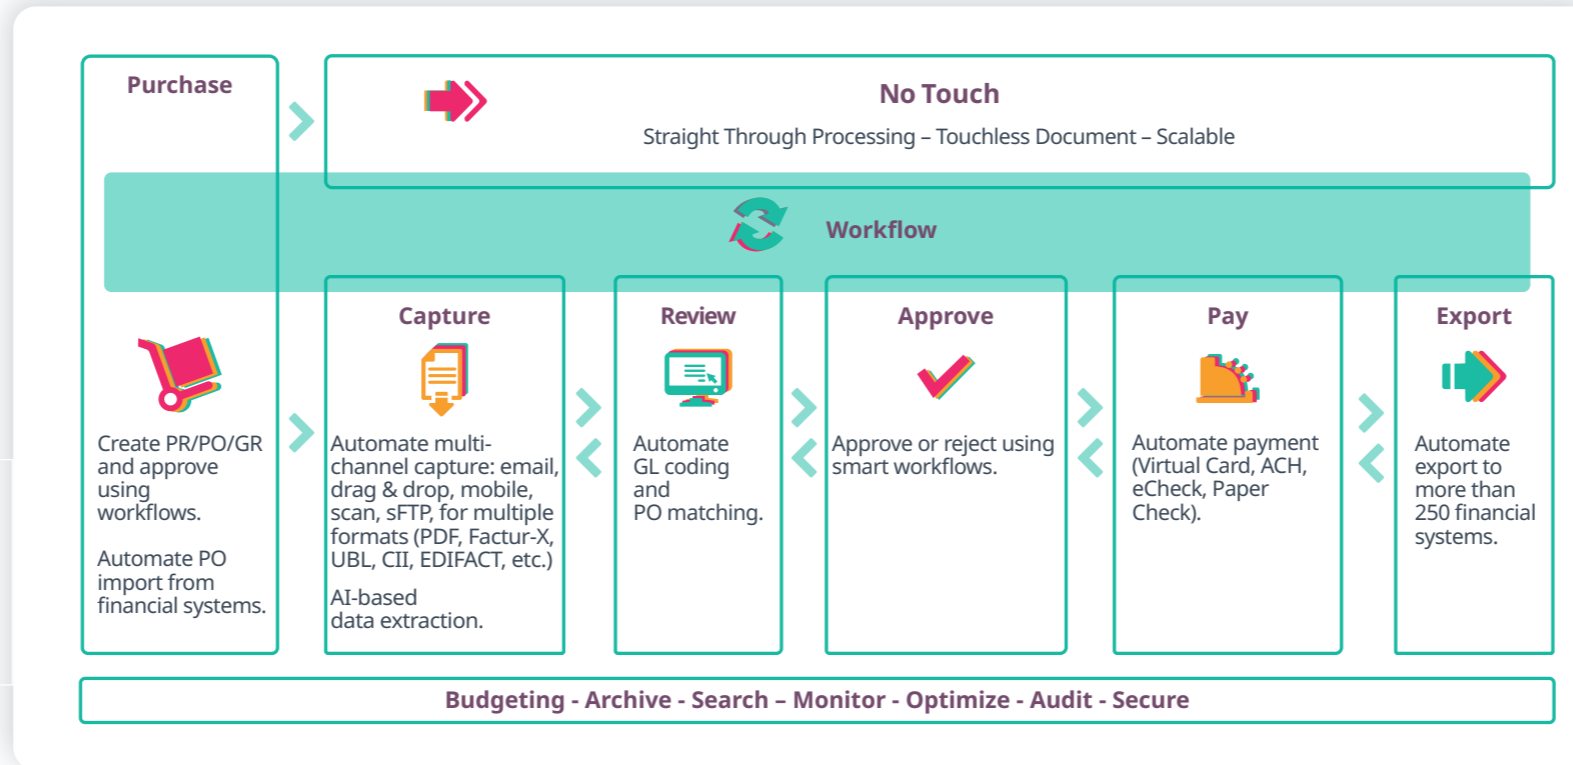

- Intelligent workflows to automate your approvals and payments

### Purchase

- Automate PR/PO/GR and approve using workflows
- Create purchase requests and generate purchase orders automatically

### Capture

- Multi-channel: 100% of your invoices, vendor payments, PR, PO, credit notes, goods receipt and more, captured via e-mail, drag & drop, mobile, scan, sFTP for multiple formats: PDF, Factur-X, UBL, CII, EDIFACT...

### Export

- E-invoicing and AP automation natively integrated with more than 250 information systems or ERP connectors

### Search - Lookup - Monitoring - KPIs

- All documents stored securely, in the cloud, easy to search and find
- Gain instant visibility and stop losing documents

### Security - Compliance

- Detection of fraud (falsified documents, detection of inconsistent data, duplicates)
- Regulatory compliance (reliable audit trail, legal archiving, reliable copy, time stamp, etc.)

## Don't Take Our Word for It! Our Clients are the Heroes of Our Story.

5,000 companies across all business sectors worldwide automate their invoices every day with Yooz!

**Ted Gubernard,**  
Parts Manager at NJTC

"Implementing Yooz has greatly improved our workflow. It has accelerated invoice processing and dramatically reduced errors."

**John Fledderus,**  
CFO

"Yooz allows a better tracking of our processes. From the moment we receive an invoice electronically from a supplier, we know exactly where the invoice is in the approval process. It gives us business visibility."

**Patsy Price,**  
Director of Operations

"Since implementing Yooz for our five-store dealership group, the invoice processing time has been reduced by 50%, the cost associated with cutting checks has decreased by 75%, saving us nearly \$35,000 a year, and our GMS have complete visibility into our AP process."

**Tim Carter,**  
CFO

"Many of the providers we considered offered a 500-pound solution for our 10-pound problem. Yooz, seamlessly integrated with [our] ERP, was the perfect fit. And it will scale as we grow."
